Good morning everyone,

During the 8:30 OCSPP IO Leadership Check-in meeting, we were asked to provide the Aldicarb and Novel Products Update 1-pagers by 1:00 today instead of tomorrow. Sorry about the short deadline.

Importance: High

See below - 1-pagers for the following will be needed on Monday. As noted these will likely need to go into AAW's binder (by 1pm) on Tuesday.

I know the Novel Products paper is a late start so will try and buy some time until Tuesday.

Note that those marked with an asterisk can be "brief" 1-pagers (please do use the 1-pager format though).

Hi. Please see the list of topics for 1-pagers below which will be needed on Monday. As noted these will likely need to go into AAW's binder (by 1pm) on Tuesday. Note that those marked with an asterisk can be "brief" 1-pagers (please do use the 1-pager format though). Also, Rick is drafting the holistic approach to pesticides 1-pager. Please let me know of any questions. Thank you.
